

EBONITE INTERNATIONAL and NORTH HILL BOWL PRO SHOP PRESENT DEMO DAY

PATENTED 6,280,343

For the first time ever, you can “TRY OUT A BALL” before you buy one. How is that possible? With Ebonite’s patented process of interchangeable thumb and finger grips, we fit the demo ball to your hand and let you see the reaction for yourself. By attending the Demo Day hosted by North Hill Bowl Pro Shop, you can “TEST DRIVE” the latest and greatest bowling balls from Ebonite - Columbia 300 – Track and Hammer. If you are serious about your game, then you need to be here.

ONE DAY ONLY!!! TUESDAY – SEPTEMBER 28, 2010

The following balls will be available:

**HAMMER-Jig Saw Trap & Plague / COLUMBIA 300-Pure Physics & Complete
